

EAST MEMPHIS SURGERY CENTER

The list below makes up the partnership of East Memphis Surgery Center. An interest in this facility enables them to have a voice in the Administration and Medical Policy of this health care institution. Some of the physicians also perform surgery at other surgical facilities in the area. If you have a preference of where your ambulatory procedure is performed, please let us know.

Special emphasis is placed on patient feedback so that we can treat you professionally and courteously at all times.
